Please deliver to Examiner Chankong.

Examiner,

In response to your telephone call, and as a follow-up to the message to you from my paralegal Erica Farlow, please find a copy of the paperwork regarding the omitted inventor Do Kim. We are also submitting a copy of a document found in the file wrapper image on PAIR that appears to be an explanation of the lack of signature of Do Kim.

Should you require more information, please do not hesitate to contact me.

Thank you,

Kevin J. Zilka

[RUSH] MESSAGE: Appears a let. for Rule 1.47 to accept
Declaration without Inventor's Do Kim signature was
filed with oath please resolve. Thank You
CD

[XRUSH] RESPONSE: Signature of Do Kim is missing b/c he
left the company at the time of filing. There should be no
further action necessary as Applicant had filed proper forms
to support the omitted signature; the other inventors signed forms
on behalf of Do Kim, and attorney included reasoning that
Do Kim was no longer employed by the Assignee.
 INITIALS: DC

NOTE: This form will be included as part of the official USPTO record, with the Response document coded as XRUSH.
